• CAMTE 2010 Election of Officers •

The CAMTE Nominations and Elections Committee is pleased to submit the following candidates for Treasurer and Board Member-at-Large. All terms will commence at the conclusion of the CAMTE Business Meeting on November 5th.

*Using the enclosed address label, please return your ballot to Lori Hamada by **October 30, 2010**.*

Thank you for participating in this important process!

~ N&E Committee: Lori Hamada – Chair, Jorgen Berglund, Carol Fry Bohlin, Gloria Brown Brooks, Kay Gilliland, Diane Kinch

Candidates for Treasurer: Kidd and Kriegler

Margaret L. Kidd
Associate Professor
Single Subject Cred. Coord., Mathematics
California State University, Fullerton

I received my degree in Mathematics Education in 2003 from Teacher’s College, Columbia University after spending most of my life as a high school math teacher (as well as an elementary and junior high teacher). I began my university career at CSUF and was granted tenure this fall. My work in high schools throughout the country, both as a teacher and a professional developer, has given me a unique perspective for working with secondary student teachers.

I have been a member of and actively involved in CAMTE since its inception and have been waiting for tenure to serve officially. I helped organize the first meeting we had at Asilomar and wrote the anchor paper for our Monograph. I would like to see CAMTE be a strong voice for all math educators in Sacramento and will work to see that happen. I am active in the math community and a member of NCTM, AMTE, CMC, WME and TODOS.

Shelley Kriegler, Ed.D.
Pres., Center for Mathematics & Teaching
UCLA Dept. of Mathematics, Retired

For the first 19 years of my education career, I was a middle school and high school classroom teacher. During the next 19 years, I worked in the UCLA Mathematics Department as a mathematics educator and Director of the UCLA Math Content Programs for Teachers. This July I retired from UCLA to begin the next phase of my professional life. Currently through a non-profit organization, I am writing instructional materials for struggling students and supporting the teachers who work with them. And it is time to give back.

Teacher educators need to be heard as policies and programs are shaped to support the new math standards. If elected treasurer, I will watch over your money and budget. More importantly, I promise to work with colleagues to grow the visibility of the organization, encourage the creation and implementation of programs that support teaching, and make the professional knowledge of our organization heard in Sacramento.

Candidates for Member-at-Large : Schaffer and Tarjan

Karl Schaffer

Full-time Math Faculty
De Anza College

.....

I've been a math faculty member for 20 years at De Anza College in Cupertino, where I wrote the curriculum for and frequently teach the Math for Elementary Education class, and will be teaching a mentoring class for prospective middle school math teachers this year. Am also active as dancer and choreographer and co-director of a dance company that has frequently performed mathematical dance shows at Asilomar conferences, as well as throughout North America and recently Europe, and we have received numerous grants from the National Endowment for the Arts for that work. Am on the Teaching Artist roster of the Kennedy Center for the Performing Arts, and teach teacher development workshops on arts and math integration around the country through that program. Received a Ph.D. in graph theory from UCSC.

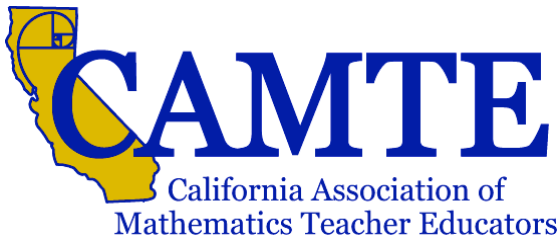

Janet Tarjan

Mathematics Professor
Bakersfield College

.....

I've taught 24 years at Bakersfield College. I have a BS in Mathematics from University of Illinois, Chicago, an MS in Managerial Economics and Decision Sciences from Northwestern University in Evanston, IL, and an EdD in Higher Education from Nova Southeastern University in Fort Lauderdale, FL.

I am a member of CMC³, Bakersfield Math Council, California Mathematics Council, AMATYC, MAA, CAMTE, AMTE, NCTM, AWM, Benjamin Banneker Association and more!
